Fully-Cooked Boneless & Bone-In Pork Chops

Add quality and versatility to your menu
with this easy-to-prepare product

Pork Chops

Lean, boneless, fully cooked pork chops are a delicious and easy way to liven up your lunch and dinner menus. This pre-cooked and pre-seasoned product offers your customer several menu options.

Grill two Pork Chops as an entree with a potato side and roasted vegetables. Or place one Pork Chop on a bun with grilled onions, sliced tomato and lettuce. Serve with french fries for a fantastic Pork Chop Sandwich.

Rose Bone-In Pork Chops are delicately cured, slow-smoked, tender & juicy. They're fully cooked so there's no shrinkage. Delicious heated in the oven or steamed, they are also perfectly suited to serve cold as a unique addition to a special party buffet.
